FREE.STAND 9052

Description

Perfect ergonomics at the workplace.

With innovative technology and contemporary design, the FREE.STAND 9052 already meets the demands of tomorrow.

In addition to the proven OMT quality, this table frame convinces with clear advantages in handling. The STAND.CONTROL can be integrated into the STAND.BASE beam. This speeds up the assembly of the table frame and minimizes the packing size for transport and storage.

Conforming to type A standards and with a stroke of 600 mm, the FREE.STAND 9052 meets all the requirements of a modern and ergonomic workstation.

Would you like to learn more about OMT product development?
Call us or send us an e-mail.

Plug & Work: The handset and power cable are connected directly to the STAND.BASE. All other electrical components are pre-installed in the STAND.BASE.
